

Leasing continues in Livingston

Michael Simon, president of Simon Holdings Inc., announced two lease renewals and a lease expansion at 513 West Mt. Pleasant Ave. in Livingston. This 20,000-square-foot office building is 95 percent leased. Simon Holdings is the owner/manager of the complex.

Computer Presentation Group and Adler Management both renewed their leases at 513 West Mt. Pleasant Ave., while Atlantech Reps Inc. expanded its lease.

"We are pleased to report the continued success of our targeted leasing programs and tenant retention strategies at this well-located Livingston office facility. In a challenging marketplace, our company prides itself on maintaining high occupancy levels at all of our facilities, which reflects our emphasis on meeting the needs of both existing and new tenants," stated Simon.

Simon Holdings Inc. is a privately held real estate investment, development and management company.
